Specialized units will be expected to focus on violent crime reduction and the top chronic offenders. Results need to be reported to the daily crime control meeting by your units' daytime reps.

Captain Carranza and Rich Gabaldon will be developing the concept for a chronic offender list- please give them your input.

My opinion is that a transient offender based list, a gang based list, a prior robbery suspect based list, and a parole/ probation list should all be created and combined to form an overall chronic offender list.

Subject: March Violent Crime all hands on deck

## All

As we discussed this evening March is all hands on deck for addressing violent crime. We need to be strong and persistent to give us a leg up for the rest of the year. The following is a recap of what OWB is mandating.

### Bureau Initiatives

1. We need the daily report of your morning crime brief meetings. Any new trends and patterns, any changes in your missions. OWB CAD will evaluate this based upon our analysis. We will aid you in addressing emerging violent crime patterns
2. Back to basics. Please make ALL of your crime missions focused on violent crime. We suggest having only three or four missions for your area. Not separate missions for each watch. Too much can be problematic as officers stop paying attention to anything.
3. ALL of your missions must include a top 10 percent focus. Who are your top 10 percent problematic individuals. For GED and PCU these can be gang members and parolees. For patrol these will be people we want to focus on each time they go out and complete a mission. These can be top 10 percent aggressive transients etc. The missions need to be focused on paying attention to these problematic populations.

### Area Mandates.

1. GED must work high violent crime RDs and missions. They need to go into the field each night with a list of gang members they need to pay special attention to. The list should be generated based upon current violence or the potential for violence. GED officers need to contact these individuals each night.
2. PCU. PCU needs to work a VC mission and go out in the field each night with a list of compliance checks to complete. The list should be updated every two days and we need to get into a rotation. These will be the individuals you believe that are either responsible for violence or have a high propensity for violence. Violators need to go to jail before they commit crimes.
3. Vice needs to be deployed into your violent crime areas each night they are working. For those where violence is tied to ABC locations the checks need to be nonstop.
4. SLOS. Slos should not be on 3/12 ( x-apple-data-detectors://0) if they are. SLOS will be organized into a VC TF three days a week and focus on violent crime locations. They too need to be part of the top 10 percent. SLOs should be tasked with addressing transient encampment locations that are tied to violent crime.
5. Patrol. Discretionary resources, especially that of the mid watches will be deployed into VC mission areas. As with GED and PCU these resources need to have a top 10 percent to focus on during their shift.

6. WTD discretionary motors will be deployed along line beats into VC areas based upon who needs the most help

7. Metro: Metro Missions will include top 10 percent focus also.

8. Multi Agency TF. Each of you (with the exception of Olympic and WLA) will develop a multi agency TF. The following schedule will be adhered too:

**Week of March 7**

( x-apple-data-detectors://1) : Wilshire

**Week of March 14**

( x-apple-data-detectors://2) Hollywood

**Week of March 21**

( x-apple-data-detectors://3) Pacific

OWB will be evaluating your missions as well as your top 10 percent lists for patrol, GED and PCU each week. Your lists need to be specific and based on intel from Detectives, SLOS and others.

Please ensure your missions are modified tomorrow

( x-apple-data-detectors://4) and submit them to OWB tomorrow morning

( x-apple-data-detectors://5) . Submit your top 10 percent lists by Friday morning

( x-apple-data-detectors://6) .

Thanks. We can do this!

Sir,

The plan for HED this weekend is as follows:

We have requested and anticipate deploying the Arrestee Transportation Vehicle on Sat and Sun

We will run Transient Enforcement and Assistance Task Force Friday and Saturday; utilizing the Arrestee Transportation Vehicle

We will transition to a 647 (F) Task Force for the latter part of Friday and Saturday. We will also utilize the Arrestee Transportation Vehicle.

Our Foot Beats in Sector-2 will deploy in the area of our historic violent crime locations (Hollywood and Las Palmas, Rusty Mullet) They will have a zero tolerance enforcement for any and all violations of law in the area.

We will utilize a Sector-3 Foot beat unit to the same at (Hollywood and Wilcox, The Playhouse)

Mobile Units will conduct traffic and investigative stops of any gangsters violating the vehicle code.

VICE/PED will operate in HED

U.C. VICE officers will walk throughout HED as roving OP's; PED units will act as their chase units. (Mission will be to target any potential violent type offenders violating the law in HED.

In addition; PED will conduct up fronts at Cosmo, Rusty Mullet, Tequila, and the Star Hookah.

A PED unit will be tasked with heavy enforcement around the Cosmo Night Club, Tequila Night Club and Star Hookah.

PED units will also enforce DIPS in parking lots in conjunction with HED units.

I have attached our current HOPE Car Reference list. The list identifies our problematic violent transients. We will distribute this list to all officers working this weekend. We will target these repeat offenders as part of this weekends plan. I will coordinate with Jeff, and obtain any information and top offenders list for gangsters who frequent Hollywood. Please let me know if you have any other questions.

Jeff, Alex, Chad, and Habib,

The below email details the violent crime reduction initiatives required by OWB. Crime missions will be re-evaluated daily. Specialized units will be expected to focus on violent crime reduction and the top chronic offenders. Results need to be reported to the daily crime control meeting by your units' daytime reps.

Captain Carranza and Rich Gabaldon will be developing the concept for a chronic offender list- please give them your input.

My opinion is that a transient offender based list, a gang based list, a prior robbery suspect based list, and a parole/probation list should all be created and combined to form an overall chronic offender list.

Please use your combined brain power to help create a chronic offender system that will be effective. You are all outstanding leaders, and your leadership skills are necessary at this time to get all hands focused on violent crime reduction. Thank you!

Subject: March Violent Crime all hands on deck

## All

As we discussed this evening March is all hands on deck for addressing violent crime. We need to be strong and persistent to give us a leg up for the rest of the year. The following is a recap of what OWB is mandating.

## Bureau Initiatives

1. We need the daily report of your morning crime brief meetings. Any new trends and patterns, any changes in your missions. OWB CAD will evaluate this based upon our analysis. We will aid you in addressing emerging violent crime patterns
2. Back to basics. Please make ALL of your crime missions focused on violent crime. We suggest having only three or four missions for your area. Not separate missions for each watch. Too much can be problematic as officers stop paying attention to anything.
3. ALL of your missions must include a top 10 percent focus. Who are your top 10 percent problematic individuals. For GED and PCU these can be gang members and parolees. For patrol these will be people we want to focus on each time they go out and complete a mission. These can be top 10 percent aggressive transients etc. The missions need to be focused on paying attention to these problematic populations.

## Area Mandates.

1. GED must work high violent crime RDs and missions. They need to go into the field each night with a list of gang members they need to pay special attention to. The list should be generated based upon current violence or the potential for violence. GED officers need to contact these individuals each night.

Parole and probation checks need to be a part of the missions.

2. PCU. PCU needs to work a VC mission and go out in the field each night with a list of compliance checks to complete. The list should be updated every two days and we need to get into a rotation. These will be the individuals you believe that are either responsible for violence or have a high propensity for violence. Violators need to go to jail before they commit crimes.

3. Vice needs to be deployed into your violent crime areas each night they are working. For those where violence is tied to ABC locations the checks need to be nonstop.

## 4. SLOS. Slos should not be on 3/12

( x-apple-data-detectors://0) if they are. SLOS will be organized into a VC TF three days a week and focus on violent crime locations. They too need to be part of the top 10 percent. SLOs should be tasked with addressing transient encampment locations that are tied to violent crime.

5. Patrol. Discretionary resources, especially that of the mid watches will be deployed into VC mission areas. As with GED and PCU these resources need to have a top 10 percent to focus on during their shift.

6. WTD discretionary motors will be deployed along line beats into VC areas based upon who needs the most help

7. Metro: Metro Missions will include top 10 percent focus also.

8. Multi Agency TF. Each of you (with the exception of Olympic and WLA) will develop a multi agency TF. The following schedule will be adhered too:

**Week of March 7**

( x-apple-data-detectors://1) : Wilshire

**Week of March 14**

( x-apple-data-detectors://2) Hollywood

**Week of March 21**

( x-apple-data-detectors://3) Pacific

OWB will be evaluating your missions as well as your top 10 percent lists for patrol, GED and PCU each week. Your lists need to be specific and based on intel from Detectives, SLOS and others.

Please ensure your missions are modified tomorrow

( x-apple-data-detectors://4) and submit them to OWB tomorrow morning

( x-apple-data-detectors://5) . Submit your top 10 percent lists by Friday morning

( x-apple-data-detectors://6) .

Thanks. We can do this!

Sir,

The plan for HED this weekend is as follows:

- \* We have requested and anticipate deploying the Arrestee Transportation Vehicle on Sat and Sun
- \* We will run Transient Enforcement and Assistance Task Force Friday and Saturday; utilizing the Arrestee Transportation Vehicle
- \* We will transition to a 647 (F) Task Force for the latter part of Friday and Saturday. We will also utilize the Arrestee Transportation Vehicle.
- \* Our Foot Beats in Sector-2 will deploy in the area of our historic violent crime locations (Hollywood and Las Palmas, Rusty Mullet) They will have a zero tolerance enforcement for any and all violations of law in the area.
- \* We will utilize a Sector-3 Foot beat unit to the same at (Hollywood and Wilcox, The Playhouse)
- \* Mobile Units will conduct traffic and investigative stops of any gangsters violating the vehicle code.
- \* VICE/PED will operate in HED
- \* U.C. VICE officers will walk throughout HED as roving OP's; PED units will act as their chase units. (Mission will be to target any potential violent type offenders violating the law in HED.
- \* In addition; PED will conduct up fronts at Cosmo, Rusty Mullet, Tequila, and the Star Hookah.
- \* A PED unit will be tasked with heavy enforcement around the Cosmo Night Club, Tequila Night Club and Star Hookah.
- \* PED units will also enforce DIPS in parking lots in conjunction with HED units.

I have attached our current HOPE Car Reference list. The list identifies our problematic violent transients. We will distribute this list to all officers working this weekend. We will target these repeat offenders as part of this weekends plan. I will coordinate with Jeff, and obtain any information and top offenders list for gangsters who frequent Hollywood. Please let me know if you have any other questions.

**RELEASE: CITY COUNCIL VOTES TO REVOKE OPERATING PERMIT FOR CASHMERE  
NIGHTCLUB**

Announcement follows recent violations, ranging from sexual assault to  
selling liquor to minors

CITY HALL -- Los Angeles City Councilmember Mitch O'Farrell announced  
Wednesday that the City Council affirmed the Department of City Planning's  
(DCP) decision to revoke a conditional use permit (CUP) for a Hollywood  
nightclub because of multiple land use violations and criminal activity.

Cashmere, also known as The Day After, located on Hollywood Boulevard at  
North McCadden Place, has been the focus of numerous investigations by the  
Los Angeles Police Department (LAPD) and the Los Angeles Department of  
Building and Safety (LADBS). In August 2015, a 20-year old male DJ died  
while employed at the nightclub, and in a separate incident in 2014,  
investigators say a female college student was sexually assaulted.

"The incidents at Cashmere presented the City with an opportunity to  
streamline the process of bringing rogue nightclubs into compliance," said

Councilmember O'Farrell. "These events serve as an example of the brazenness of some club operators to thumb their nose at the the law and their utter disregard for the safety and security of their employees and patrons."

When operating a bar or club in the City of Los Angeles, establishments must receive a CUP from the City. The permit dictates various rules for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

"My office has created a task force consisting of the City Attorney's office, LAPD, DCP, LADBS, Los Angeles Fire Department, and Alcohol & Beverage Control to make sure scofflaw clubs like Cashmere comply with City permits: If they do not, we will shut down them down as expeditiously as possible, so nothing like this can happen again. Let this send a strong message."

This news comes on the heels of the closure of another Hollywood nightclub, Supperclub, which had been cited for multiple violations of its terms of probation with the City Attorney's office, and whose conditional use permit expired last week.

The Council action today will revoke Cashmere's CUP at their address on Hollywood Boulevard, and if the owners continue to operate, law enforcement can shut them down immediately.

RELEASE: CITY COUNCIL VOTES TO REVOKE OPERATING PERMIT FOR CASHMERE  
NIGHTCLUB

Announcement follows recent violations, ranging from sexual assault to  
selling liquor to minors

CITY HALL -- Los Angeles City Councilmember Mitch O'Farrell announced  
Wednesday that the City Council affirmed the Department of City Planning's  
(DCP) decision to revoke a conditional use permit (CUP) for a Hollywood  
nightclub because of multiple land use violations and criminal activity.

Cashmere, also known as The Day After, located on Hollywood Boulevard at  
North McCadden Place, has been the focus of numerous investigations by the  
Los Angeles Police Department (LAPD) and the Los Angeles Department of  
Building and Safety (LADBS). In August 2015, a 20-year old male DJ died  
while employed at the nightclub, and in a separate incident in 2014,  
investigators say a female college student was sexually assaulted.

"The incidents at Cashmere presented the City with an opportunity to  
streamline the process of bringing rogue nightclubs into compliance," said

Councilmember O'Farrell. "These events serve as an example of the brazenness of some club operators to thumb their nose at the the law and their utter disregard for the safety and security of their employees and patrons."

When operating a bar or club in the City of Los Angeles, establishments must receive a CUP from the City. The permit dictates various rules for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

"My office has created a task force consisting of the City Attorney's office, LAPD, DCP, LADBS, Los Angeles Fire Department, and Alcohol & Beverage Control to make sure scofflaw clubs like Cashmere comply with City permits: If they do not, we will shut down them down as expeditiously as possible, so nothing like this can happen again. Let this send a strong message."

This news comes on the heels of the closure of another Hollywood nightclub, Supperclub, which had been cited for multiple violations of its terms of probation with the City Attorney's office, and whose conditional use permit expired last week.

The Council action today will revoke Cashmere's CUP at their address on Hollywood Boulevard, and if the owners continue to operate, law enforcement can shut them down immediately.

**RELEASE: CITY COUNCIL VOTES TO REVOKE OPERATING PERMIT FOR CASHMERE  
NIGHTCLUB**

Announcement follows recent violations, ranging from sexual assault to  
selling liquor to minors

CITY HALL -- Los Angeles City Councilmember Mitch O'Farrell announced  
Wednesday that the City Council affirmed the Department of City Planning's  
(DCP) decision to revoke a conditional use permit (CUP) for a Hollywood  
nightclub because of multiple land use violations and criminal activity.

Cashmere, also known as The Day After, located on Hollywood Boulevard at  
North McCadden Place, has been the focus of numerous investigations by the  
Los Angeles Police Department (LAPD) and the Los Angeles Department of  
Building and Safety (LADBS). In August 2015, a 20-year old male DJ died  
while employed at the nightclub, and in a separate incident in 2014,  
investigators say a female college student was sexually assaulted.

"The incidents at Cashmere presented the City with an opportunity to  
streamline the process of bringing rogue nightclubs into compliance," said  
Councilmember O'Farrell. "These events serve as an example of the

brazenness of some club operators to thumb their nose at the the law and their utter disregard for the safety and security of their employees and patrons."

When operating a bar or club in the City of Los Angeles, establishments must receive a CUP from the City. The permit dictates various rules for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

"My office has created a task force consisting of the City Attorney's office, LAPD, DCP, LADBS, Los Angeles Fire Department, and Alcohol & Beverage Control to make sure scofflaw clubs like Cashmere comply with City permits: If they do not, we will shut down them down as expeditiously as possible, so nothing like this can happen again. Let this send a strong message."

This news comes on the heels of the closure of another Hollywood nightclub, Supperclub, which had been cited for multiple violations of its terms of probation with the City Attorney's office, and whose conditional use permit expired last week.

The Council action today will revoke Cashmere's CUP at their address on Hollywood Boulevard, and if the owners continue to operate, law enforcement can shut them down immediately.

Good morning everyone,

FYI, please see below the press release that our office released this morning.

Earlier today the City Council \*affirmed\* the ZA's determination from December \*revoking\* the Conditional Use Permit for the Cashmere nightclub location.

The club had appealed the determination, but the City Council has rejected the appeal and affirmed that the permit should be revoked.

Please let me know if you have any questions.

Thanks!

Sir,

Here are the main bullet points for the Cashmere hearing. I also attached what Sgt Munoz will be presenting that covers bullet points #2-#7 clearly. That presentation only briefly covers bullet point #1 by mentioning violations from "multiple agencies.". That is why I added more detail here.

1. Violations from multiple entities including the State Department of Industrial Relations and Employment Development for no workers compensation, The Zoning Administration for Conditional Use Permit violations, Detective Support and Vice Division of LAPD for operation of a strip club, LAPD Hollywood Gangs for the arrest of an employee security guard for GTA and narcotics, Building and Safety, LAPD Hollywood Vice for prostitution of four employees, and LAPD West Bureau Homicide for the death of an underage employee disk jockey.
2. Violations presented at the public hearing cover a two year period
3. Multiple violations during the appeal process of the denied Conditional Use Permit
4. Refusal to correct the non-compliance after multiple admonishments
5. Negative impact on the community and quality of life for residents
6. Constant strain on Police resources
7. Revocation necessary

Sir,

Tonight Ray and I met with Ed Andrews – Attic/Genesis General Manager (818) 325 5778  
( tel:8183255778) , Chris Kasteler- Operations Director and General Manager Project/Study (310) 948-1146  
( tel:3109481146) , and owner Freddy Braidy. We discussed security plan for New Years Eve. They assured us that they will hire extra security and dedicate the extra security resources to the crowd management on the sidewalk in-front of each location. This will be ongoing moving forward. They have disconnected any promotional and or business association with the COSMO Night Club. This was done prior to our meeting. They advised us that they are aware that COSMO operates an after hours club; using the back entry way off of COSMO every weekend. They further stated that a promotion company out of New York buys (rents) many of the night club venues in Hollywood and then sells on line tickets that allows entry into each of the clubs with alcohol included at some of the venues. Each venue still uses their own staff and security, but basically leases out the location to this promotion company for New Years Eve. This is what I believe COSMO and Cashmere have done for New Years Eve; which is a violation of their CUP and ABC license. The meeting was overall productive and expect them to work with us moving forward to ensure we maintain public safety around the perimeter of these venues. They are also obtaining and using metal detector wands, and establishing a stricter dress code in attempt to keep gangsters out of their clubs. I will brief you further tomorrow.

Al,

I clipped all of the Cosmo reports that were in my inbox together and set them on top. The face sheet of the Complaint App needs to be changed. It should list Aberto Avila and/or Medhi Bolour as the susp. (It always has to be an owner of the business) Goldberg should be a witness. Check with records to see if you need a 3.14, but when I checked a few days ago, it had not been processed, so you may be able to just fill out a new face sheet. You can probably check on the Cashmere complaint apps to get their DOBs etc.

I should be available if you have any questions.

Jeff

Capt. Zarcone, Lt. Baez, and Jackie:

I am closing out a Public Records request from a gentleman in Hollywood. He has asked for all documents that we have related to Hollywood nightclubs; we are prepared to hand over all pertinent emails and documents from the year 2015.

We want to be sure that we do not release sensitive or confidential information. For example, I consulted with Homicide and they instructed not to include correspondence regarding the investigation into the death of the DJ at Cashmere in August.

I'm attaching some correspondence between myself and Hollywood Vice, as well as myself and Jackie. Some of it pertains to violations and investigations. Can you please let me know if anything should remain confidential and NOT included in this release of documents?

Thank you so much...

Sir,

Just to update you. I saw that Cashmere was advertising a New Years Eve party, so I contacted zoning regarding the Cashmere CUP to verify some info. What I found was that the revocation is not effective until January 4, 2016, so they are able to have the New Years party, provided they adhere to all the existing conditions of their CUP.

I also talked to their attorney, Michael Koladzi who stated that they had filed an appeal of the Zoning Administrators findings, and pending the outcome of the appeal, they were still able to operate past January 4, 2016 (I am waiting on confirmation of that from Zoning).

Unrelated, The W Hotel is planning on using the rooftop (formerly Drai's) to host a New Year's party. I am checking to see if the CUP is still valid and the status of the ABC license as well.

I will keep you updated.

Thanks Jeff,

As we discussed please review CUP to see if they have already violated any terms of their CUP and please confirm they still have an active ABC license. I believe they have not used it for over 30 days which automatically suspends it from being used. Please confirm with Kim Walchoski from ABC.

Thank you

Sirs,

The following are the results of tonight's ABC operation:

- At approximately 2230 hours, an up-front inspection was conducted at "The Attic" which resulted in the issuance of a citation to the manager Elie Kheir Braid. He was cited for contaminated alcohol bottles, no café entertainment and show permit, no dance hall permit as well as 12.29 LAMC, CUP violation of conditions number 10,14,17 and 19. Braid voluntarily shut down the club for the night.
- At approximately 2300 hours, an up-front inspection was conducted at "Cosmo" which resulted in the issuance of an RFC to the same manager Mathew Goldberg for 12.29 LAMC, CUP violation condition number 18, security guards not wearing the appropriate uniforms. Goldberg was advised that any further violations with him as the manager will result in physical bookings.

Officers Thompson and Cross conducted investigations at the following locations which resulted in the following violations:

- The study, 12.29 LAMC, CUP violation for condition number 16 and 39. Complaint application completed.
- The Royal, 12.29 LAMC, CUP violation for condition number 20. Complaint application completed.
- Rusty Mullet, 12.29 LAMC, CUP violation for condition number 10 and 12 as well as 23804 B&P, ABC condition number 2 and 4. Complaint application completed.

Sergeant Gonzales and I conducted a two-hour surveillance at Cosmo in order to monitor all activity related to this club. At approximately 0100 hours, we requested the fire department to respond and conduct a crowd count at both the "Project LA" and "Cosmo." It was determined that Project LA was at maximum capacity so they were advised not to allow any more patrons in. Security began clearing the lines and turning patrons away. Cosmo was not quite at capacity so there was no enforcement taken by FD. We continued monitoring the location until they closed their doors at 2 a.m. There were the usual crowding issues on the surrounding streets and sidewalks as a result. I had a PED unit respond and disperse the crowd.

An undercover operation was also conducted at Playhouse where we were able to get a minor into the club as prior complaints had indicated. During the course of the operation, the minor was able to obtain alcohol service from all bartenders inside the location. As a result, the five bartenders were cited for 25658 B&P, furnishing alcohol to a minor. The manager Tommy Karahalios was cited for 12.29 LAMC, CUP violations of conditions number 12, 16, 22, 28, 29, 33, 42 and 44.

All reports will be completed and properly disseminated tomorrow in order to minimize overtime.

I am reaching out because it appears the ownership of the Cashmere Night Club has transferred their operations to the Cosmo Night Club located at 6364 Hollywood Blvd. The same person on the ABC License for Cashmere is on the Cosmo ABC license (Albero Avila). This time instead of Top Gun LLC. he shows as Hollywood Night Life Group LLC. The license was issued on Sept 10, 2012. It appears that Mr. Avila is a front man for Steve Marlton who is the actual owner and runs operations for nightclub. As we learned with Cashmere Mr. Marlton

It appears that Mr. Avila is a front man for Steve Marlton who is the actual owner and runs operations for nightclub. As we learned with Cashmere Mr. Marlton signed all the checks and was on the actual lease for the property. I will confirm that he is on the lease for Cosmo property as well.

I am requesting you put them on a 30 day compliance. I believe they will have to demonstrate that Mr. Avila is actually involved in the operations of the club. We had a shooting last weekend adjacent to the club and there is a strong potential for future violent crimes at and around this location. We want to work with all city and state entities to get this location in compliance or closed down.

Please advise me what we can do to start working on this location and hopefully avoid all the violent crimes we experienced with this same ownership group at Cashmere. We appreciate your partnership with us and look forward to continuing to work together.

Thank you

Alex

Sir,

As per our conversation here is a summary of tonight's enforcement on Cosmo.

At approximately 2300 hours, two undercover met with security at Cosmo in order to obtain information on tonight's event.

After confirming that there was a private event and a charge at the front door, Sergeant Moody and uniform PED officers conducted an up-front inspection. As a result, the General Manager Mathew Goldberg was cited for 12.29 LAMC, CUP violation of condition numbers:

- Ø 10- The premises should not be used for private parties / events.
- Ø 12- The facility shall not be leased or rented out to promoters at any time.
- Ø 14- There shall not be any public advertising for any DJ entertainment.
- Ø 17- There shall be no cover charge.
- Ø 18- The requirement for uniform security guards.
- Ø 27- STAR training requirements.

One of the security guards was arrested after it was discovered that he had \$56,000 dollars in outstanding misdemeanor warrants. (1) for DUI and (1) for traffic violations.

At approximately 0145 Hours, Sergeant Gonzales and I proceeded to monitor Cosmo at which time we could hear the music across the street where we were parked. We continued to monitor the location and noted that the music and activity continued on past 0200 hours. At approximately 0210 hours, an HED unit stopped in front of the location and sounded its vehicle's siren. At this point, it appeared that the club started closing procedures which continued for about another 15 minutes. At approximately 0230 hours, I had a uniform PED unit meet with the manager in order to cite him for the above mentioned violations. Mathew Goldberg was again cited for 12.29 LAMC, CUP violation of condition numbers:

- Ø 8-Hours of operation not to exceed 0200 hours.
- Ø 9- No after hours use of the facility shall be permitted.
- Ø 21- Any music, sound or noise emanating from within the subject premises shall not be audible beyond the subject site.

FYI, Mathew Goldberg is a former manager of Cashmere. We will have these two reports completed by tomorrow evening and processed them accordingly.

One of the security guards was arrested after it was discovered that he had \$56,000 dollars in outstanding misdemeanor warrants. (1) for DUI and (1) for traffic violations.

At approximately 0145 Hours, Sergeant Gonzales and I proceeded to monitor Cosmo at which time we could hear the music across the street where we were parked. We continued to monitor the location and noted that the music and activity continued on past 0200 hours. At approximately 0210 hours, an HED unit stopped in front of the location and sounded its vehicle's siren. At this point, it appeared that the club started closing procedures which continued for about another 15 minutes. At approximately 0230 hours, I had a uniform PED unit meet with the manager in order to cite him for the above mentioned violations. Mathew Goldberg was again cited for 12.29 LAMC, CUP violation of condition numbers:

- Ø 8-Hours of operation not to exceed 0200 hours.
- Ø 9- No after hours use of the facility shall be permitted.
- Ø 21- Any music, sound or noise emanating from within the subject premises shall not be audible beyond the subject site.

FYI, Mathew Goldberg is a former manager of Cashmere. We will have these two reports completed by tomorrow evening and processed them accordingly.

Hello Sargent Habib,

Is this something we want to fit in before our Jan 15th inspection date?

Let me know and we will see what can be done.

Hi John,

Happy Holidays. I hope all is well. I am reaching out because it appears the ownership of the Cashmere Night Club has transferred their operations to the Cosmo Night Club located at 6364 Hollywood Blvd. I would like to see if your available to conduct an inspection of the location for any Building and Safety violations. We had a shooting last weekend adjacent to the club and there is a strong potential for future violent crimes at and around this location. We want to work with all city and state entities to get this location in compliance or closed down. Please coordinate with Sergeant Munoz from Hollywood VICE on an inspection as soon as you are available. We appreciate your partnership with us and look forward to continuing to work together.

Thank you

Alex
